

Dear Colleague:

We are pleased to invite your firm to participate in the annual AIAS University of Washington Career Fair. This year the Career Fair will be held on Tuesday, April 8th. The American Institute of Architecture Students, University of Washington chapter is planning, promoting, and supporting this event.

Participation in the Career Fair affords you the opportunity to:

- Make your organization visible as a potential employer of design students
- Identify candidates for subsequent interviews
- Inform freshmen and sophomores about educational choices to help prepare them for employment
- Enhance faculty and student perception of your organization

The Career Fair will be held in Gould Hall on the University of Washington campus.

The registration fee provides a 3' x 6' draped table, parking permit, assistance with setup, and two box lunches. If you will be bringing more than two company representatives, there will be an additional \$11 charge to cover the cost of each additional lunch.

To promote your organization's participation and to assist in our planning, please complete and return the registration form and a brief company description by Friday March 14th. We will be publishing a packet featuring information about all of the firms attending the Career Fair this year. The packets will be distributed before and during the fair to students and faculty.

Enclosed you will find your registration form and a sign-up for box lunches. Further instructions on directions, parking, and set up will be provided upon receipt of your registration materials. If you need any additional information, please contact us at mailbox@aiasuw.org. We hope to see you at the AIAS-UW Annual Career Fair.

Sincerely,

Kit Kollmeyer
AIAS-UW Chapter President

Matt Quijano
AIAS-UW Vice President

Please accept my support of the AIAS 2008 Career Fair and architecture education.
